Appendix C: Reflective Writing Assignment

Please submit a minimum 2-page typed double-spaced response to the following questions, regarding what you have learned during this elective:

1. What have you learned about teaching patients through this elective?
2. What did you learn from the educational session you gave to your clinical team? What worked well? What might you do differently in the future?
3. What will be your approach to clinical teaching as you move forward in your training? (i.e. How will you plan to teach students and colleagues when you are a resident?)

Assignment to be submitted through Canvas.
